

What happens at Crawford Primary School if your child needs extra help?

Parents or carers are always welcome to invite an additional adult to accompany them when attending meetings at our school.

This is a fluid process whereby children's progress is reviewed regularly. If at any point you are unsure of the process you can seek advice from:

Class teacher, Mrs Wilson (SENCo), Outside agencies contactable through school.

Parent Partnership: 01772 532030 or Parent Help line: 01772-530444

Mr Wilson (Chair of Governors) contactable through school.
