25th March 2019

Dear Parents

STEM Science Club

Miss Tose will be running a STEM club (science, technology, engineering and maths) for Years 1 -6 after school every Thursday from 3.30 pm to 4.30 pm for the first half of the Summer term (25/04/19 – 23/05/19) *This is the same night as gardening club will run for Y1 – Y3.

The club will be packed with fun and engaging activities that will excite and inspire your child and encourage them to solve science, technology, engineering, and maths challenges through practical investigation. There is a small charge of £1.00 per session to help cover the cost of disposable items such as cornflour, custard powder, straws etc. which is needed to run the science experiments in STEM. Payment can be handed into the school office with a completed permission slip as soon as possible. Please note the club will be limited to 12 places, which will be allocated on a first come, first served basis. If the club is over-subscribed, there will be a rotation of places, so that the next group of children will get the chance to attend the club after half-term.

Kind regards

Mrs D Eaton
Headteacher

Year 1 -6 STEM Club (25/04/19 – 23/05/19).

I give permission for _____ (child's name) to attend Years 1 - 6 after-school STEM club.

I enclose £5.00 cash to cover all 5 sessions.

Signed _____ (Parent's/Guardian's signature)

Date: _____
