### Friends of Crawford Village PTA

The Friends of Crawford Village PTA are looking to recruit new members! There is no better way to know what is happening in our school than to be involved! The PTA plays an important role in supporting our school's educational programs and other improvements. It is also a perfect opportunity to put your creativity and skills to use for a great cause – your child!

For those of you who are unsure of what the PTA is all about, there are two key aims. Firstly, the PTA aims to raise money for resources that the school cannot purchase within its budget. Secondly, they also aim to provide fun and enriching experiences for the children throughout the year as well as bringing the community together to support our school.

There is a PTA meeting every half term which everyone is very welcome to attend, and these are normally held in school from around 7.15pm. The meetings are friendly and light-hearted and they provide an opportunity to discuss the event calendar and new fundraising ideas. It would be so lovely to see new faces at the meetings; it's a great way to meet other parents and to have your say on things that are important to you. Joining the PTA does not require masses of your time, nor does it mean that you have to volunteer at every event and attend every meeting. Any amount of time or effort that you are able to give makes a world of difference to our school and your child.

The PTA are also looking for volunteers to be "Happy Helpers", those who are happy to help out for an hour or two on a stall or at an event, or help with wrapping but don't wish to organise or come along to the committee meetings. These really are so important to the PTA so please do let the school office know if you are interested in becoming a happy helper.

Kind regards

*D Eaton*
