Small enough to care...big enough to inspire

Science Week

This year, for British science week, we are following the theme 'Our Diverse Planet' alongside the British Science Association. We are celebrating this event on Wednesday 11th March with a day filled with lots of exciting science activities in all classes. This will include cross-curricular lessons with maths and English.

To help us celebrate, we are inviting all children to wear a lab coat or mad scientist hair for the day, however this is **not compulsory**. The children from Class 3 are welcome to wear their lab coats which we already have in class if they so wish.

We are also holding a 'Science Selfie' photo competition that children and parents can get involved in. To enter, take a picture with you and something scientific (this could be a homemade experiment or a job that involves science) and email it to Mrs Eaton at head@uphollandcrawfordvillage.lancs.sch.uk by 11th March. All entries will be judged and a winner will be announced in assembly on Friday 13th March where a special prize will be given.

Sports Relief

Next week is sports Relief week. Y6 will be selling wristbands every day for £1 if children would like to buy one. We will also be holding a 'Hooplathon' on Friday (just for fun – this is not a sponsored event). Children can wear sports clothes on Friday for a £1 donation.

Starlight Clothes Collection

We have arranged a Starlight Clothes Collection for Wednesday 11th March at 9am. Any unwanted clothes, shoes, handbags and belts can be placed in bags. Bags can then be brought to school on the morning of 25th November from 8am and left by the carpark entrance to the building (sorry but we cannot accept bags before this date). The school receives money per kilo of clothes collected. This is used to purchase resources for school.

World Book Day

World Book day took place on Thursday 5th March. The children dressed up as their favourite book character and took part in book themed activities throughout the day. There was some fantastic costumes. More photos are available on the school website.

Sponsored Pancake Flip

Thank you to everyone who has brought in their sponsor money, so far we have raised £281.70 for school funds. Please could you ensure that any outstanding sponsor money is brought into school by Wednesday 11th March.

Sports Update

Multi Skills Festival

On Tuesday 25th February, some of our children took part in a multi skills festival at Lathom High School. They focused on the six key values practised in sport: determination, honesty, passion, self-belief, respect and teamwork. Each and every one of them managed to display these values and had lots of fun along the way.

Swimming Gala

On Tuesday 3rd March, some of pupils took part in the WLSP swimming gala at Nye Bevan swimming pool. They did really well in the competition and were very proud of the medals they won. Well done swimmers!

Football Club

Mr Worthington is again very kindly running a football club after school on selected dates. We are very grateful to him for running this popular club.

Festival of Football

On Friday 6th March, two pupils took part in a Festival of Football. They had a fun morning learning football skills and returned to school very proud of their certificates.
