Our school value this half term is

FRIENDSHIP

Animals on Parade

The children in Class 1 have been reading about Elmer, a patchwork elephant who looks different to all the other elephants. We learned how all the jungle animals love Elmer because of his differences, not in spite of them and had fun with lots of art and music around the theme. This culminated with an amazing elephant parade with the children wearing the fantastic masks they had all made. Well done Class 1!

Class 3 Values Champions

The results are in! The new Class 3 Values Champions for 2020/21 are Mia (Year 4), Lucas (Year 5) and Amy (Year 6). This was another close vote as all the nominees were clearly determined to do their very best in the role.

SHARES Holiday Club is back this October! The club will be running at Brookfield Park Primary School. In order to be Covid compliant, groups will be split into KS1 and KS2 pods and will not mix during the day. Children will participate in a variety of activities throughout the day including sports, arts and crafts, baking, dance etc.

£50 for the week – limited spaces

TEACH AN ADULT TO CODE!

National Coding Week is an annual event that aims to help adults with learning digital skills.

In 2020, National Coding Week takes place from September 14th to 20th. Why not take some time to show off your digital skills to an adult and teach them about coding? Log on to Purple Mash using your school login or take a look at some of the resources available online – if you have a Twinkl login, check out the resources available [here](#). Remember to stay safe online.

Interesting facts about coding

- Coding is how we tell computers what they are supposed to do for us. Computers follow a set of instructions (code) written by a programmer.
- Ada Lovelace was one of the first computer programmers. She worked with Charles Babbage, who invented the early mechanical computer. In 1843, she wrote the first computer program.

This week's riddle... GUESS THE CITY/TOWN!

Here are 5 facts about a city or town in the UK and an anagram to unscramble to find the answer.

The city is located on the Tyne River – Has the dialling code of 0191 -- Locals are known as Geordies – Hosts the Great North Run every September – Famous faces include Ant and Dec
